

Accounting Advanced Apprenticeship Level 3 (AAT Intermediate Programme)

The accountancy industry is thriving in the UK but to maintain high standards training is vital. Designed to enable your staff to obtain a fully accredited qualification whilst in a professional environment an Apprenticeship offers excellent hands on experience. An Apprenticeship will allow you to train your staff to national standards whilst building a loyal and experienced workforce.

Programme structure

The apprentice will complete the following:

- AAT Accounting Intermediate Level 3 (equivalent to NVQ)
- Key Skills Level 2 in Communication
- Key Skills Level 2 in Application of Number

For whom is the programme suitable?

Anyone currently employed in an accountancy/book-keeping environment. The apprentice must have completed Level 2 (or equivalent) and possess a good level of Maths. The apprentice must become a registered member of the Association of Accounting Technicians (AAT).

How is the programme assessed?

Both exam and assessment of a portfolio of work.

How long does the programme last?

Average duration is 24 months.
