

the **businesscentre**

Northampton
College

PRINCE2

Using PRINCE2 provides you with greater control of resources, and the ability to manage business and project risk more effectively, which provides benefits to:

- Project Managers
- Directors/Executives (senior responsible owners) of projects
- Organisations

the **businesscentre**

PRINCE2

PRINCE2 is a project management method that can be tailored to suit your needs. It covers how to manage, organise and control your projects. It is aimed to enable you to successfully deliver the right products, on time and within budget.

Using PRINCE2 provides you with greater control of resources, the ability to manage business and project risk more effectively

Programme includes:

- 3 day PRINCE2 Foundation + 2 day PRINCE2 Practitioner course
- Examinations
- Registration and Certification
- Course materials, workbooks and manuals
- Refreshments and lunch at allocated venue including parking
- Accommodation charged extra

For more information or to book your place on the course contact Donna Rowland:
