

## Travelling by car

If you are driving to Lower Mounts, we have limited car parking on site. Student parking is on the lower level after 5pm Monday to Thursday and on Saturdays. The parking is on a first come, first served basis and is not guaranteed. The top level is reserved for staff. There are plenty of other car parks to use in the Town Centre if the lower car park is full. We run a scheme in partnership with the neighbouring NCP car park (St Michael's). For a £5 returnable deposit, we can give you a parking card. Using this card, you'll only pay £1 per day to use the car park. For further details, speak to the Student Services team at Lower Mounts.
