CHILD PROTECTION: SAFEGUARDING AND VULNERABLE ADULTS POLICY

1. BACKGROUND

- 1.1 In September 2018 the Department of Education and Skills published an updated guidance document 'Keeping Children Safe in Education', on safeguarding and promoting the welfare of children under the provisions of the Children Act 1989, and following publication of Section 175 of The Education Act 2002.
- 1.2 Section 175 places a duty of care on Local Authorities, and on governing bodies of schools and further education institutions to make arrangements for carrying out their functions with a view to safeguarding and promoting the welfare of children. *Keeping Children Safe in Education* recognises that 'where a child is suffering significant harm, or is likely to do so, action should be taken to protect that child'.
- 1.3 Early years' providers, of which the College has a single setting, have a duty under section 40 of the Childcare Act 2006 to comply with the welfare of the Early Years Foundation Stage, under which providers are required to take necessary steps to safeguard and promote the welfare of young children.
- 1.4 Northampton College recognises its duty in this area and seeks to meet the welfare and safeguarding needs of children and vulnerable adults. This includes ensuring appropriate recruitment and selection practices in respect to potential employees and the provision of a safe and secure environment in which to study.
- 1.5 National and regional awareness of the importance of safeguarding young people against radical extremism has grown, and the College is actively engaging in the government's 'Prevent' agenda.
- 1.6 There is continued regional and national concern about child sexual exploitation gangs highlighted by recent widely reported prosecutions, for example the prosecution, in 2016, of nine men in Rochdale for serious sexual offences against teenage girls over an extended period of time.

2. DEFINITIONS

- Children and young people – those aged under 18 years
- Vulnerable adults – those aged 18 and over who may be considered vulnerable to abuse, for example those with learning difficulties or disabilities
- NSCB – Northamptonshire Safeguarding Children Board

3. SCOPE

- 3.1 The "**Child Protection: Safeguarding Children and Vulnerable Adults Policy**" applies to all College staff, job applicants, visitors, contactors, students, prospective students, volunteers and governors whether they work or study in the main College campuses, outreach centres, or other designated areas.
- 3.2 The policy recognises that somebody may abuse or neglect a child by inflicting harm, or by failing to act to prevent harm. Children and vulnerable adults may be abused in a family or in an institutional or community setting by those known to them or, more rarely, by others (e.g. via the internet). They may be abused by an adult or adults, or another child or children.
- 3.3 The policy acknowledges that research has found that disabled children are more likely to be abused and neglected than non-disabled children.

- 3.4 The policy applies to students on work placements and work-based and workplace learning programmes, apprentices, and those engaged on any College-organised off site activity.
- 3.5 The policy applies to working arrangements with other agencies to support the College's "**Child Protection: Safeguarding Children and Vulnerable Adults Policy**", including local education authorities, schools, support agencies, sub-contractors and employers.

4. INTENT

The intent of the "**Child Protection Safeguarding Children and Vulnerable Adults Policy**" is to ensure that:

- 4.1 A safe environment is provided at College for children and vulnerable adults at all times, including support in ensuring children and vulnerable adults are kept safe online.
- 4.2 The College is able to take appropriate action to protect young people who are suffering or at risk of suffering harm, including emotional, physical, and sexual abuse; bullying in all its forms; neglect; radicalisation; female genital mutilation; forced marriage; sexual and financial exploitation (this list is not exhaustive). Action will be taken whether or not the risk of harm occurs in the physical world or online.
- 4.3 Safe recruitment practices exist in checking the suitability of staff, governors, contractors and volunteers to work with, or in proximity, to children and vulnerable adults.
- 4.4 All staff and governors are trained to recognise the types of harm recognised above and take appropriate action in line with College procedures and with *Keeping Children Safe in Education*.
- 4.5 The College ensures that it regularly consults with students about how safe they feel and their general welfare, with action taken where students tell us they do not feel safe.
- 4.6 The College takes steps to support and protect the most vulnerable students, including those under, or formerly under, the care of the Local Authority. The College will work with other organisations in supporting and protecting all students, for example, the police in the case of a College student becoming a missing child.

This process is detailed further in the College Recruitment and Selection Policy
- 5.10.3 HR staff and managers chairing interview panels are trained in Safer Recruitment. A range of Safe Recruitment procedures will be employed and these are described in the Recruitment and Selection Policy.

 - ensure staff know what to do when possible harm is suspected (or when a young person makes a safeguarding disclosure), and whom to contact
 - inform staff of College procedures and policies in the area, relevant legislation, and the role of the designated members of staff for child protection.
- 5.11.2 Safeguarding and child protection training is included within the induction programme for all new staff. The College reserves the right to terminate the employment of staff who have not attended such training by the end of their 2nd month of their employment.

5.11.3 Refresher training for all staff will be undertaken every 2 years.

6.2 The College's Safeguarding Committee will monitor and review this policy annually.

This form should be used by managers and policy authors within their area of responsibility to carry out Equality & Diversity Impact Assessments (E&DIAs) in relation to protected characteristics including: Age, Sex, Disability, Gender/Trans, Racial or Ethnic Group, Religious Belief and Sexual Orientation.

The word 'policy' is taken to include strategies, policies, procedures and guidance notes; both formal and informal, internal and external.

The Impact Assessment may be carried out on any policy, service, function or plan you are engaged in, or are about to commence. All policies should be clearly stated. However, in reality, some policies are built into everyday procedures and customs, therefore not all policies are open to inspection and review. Any assessment of a policy should include these customs and practices as well as the formal written policy. 'Functions' means your duties and powers and includes internal and external functions, including service delivery.

Four possible impacts should be considered as part of the assessment:

1. **Positive impact** – Where the policy might have a positive impact on a particular protected characteristic.
2. **None or little impact** – Where you think a policy does not disadvantage any of the protected characteristics.
3. **Some impact** – Where a policy might disadvantage any of the protected characteristics groups to some extent. This disadvantage may be also differential in the sense that where the negative impact on one particular group of individuals with protected characteristics is likely to be greater than on another.
4. **Substantial impact** – Where you think that the policy could have a negative impact on any or all of the protected characteristics. This disadvantage may be also differential in the sense that the negative impact on one particular protected characteristic is likely to be greater than on another.

8. Is there anything that cannot be changed?

What cannot be changed?	Can this be justified?	If so, how?
Not applicable		

e.g. Disabled people can be treated more favourably under the 2005 DDA. If a policy appears to treat disabled people more favourably than other equality groups, the disadvantage may be justifiable.

Please list the main actions that you plan to take as a result of this assessment in your area of responsibility. (Continue on separate sheets as necessary)
