Other Information

Dignity, Diversity and Inclusion

Northampton College is proud of its diverse cohort of students and is committed, morally and through statute, to the values of equality, diversity and inclusion.

To embed this throughout the College we encourage and welcome applications for job vacancies from people of all backgrounds. Our recruitment and selection processes incorporate anonymity of protected characteristics at both the shortlisting of applications stage and through selection process, wherever feasible.

This, along with other measures that promote full and fair consideration of all applications, along with the College's implicit ethos of inclusion, enables the College to promote equality of opportunity and eliminate unlawful discrimination on the grounds of: sex; race; disability; age; sexual orientation; gender reassignment; religion or belief; marital status, or pregnancy and maternity.

All members of the College's staff community are required to adhere to, and promote, the College's values of respect for each other, dignity, diversity and equal opportunity, enabling the continual evolution of a culture of inclusion, where diversity and difference is embraced and open, positive discussion is genuinely valued.

As importantly, the College will not tolerate unlawful discrimination, harassment or victimisation within the organisation.

Northampton College prides itself on being the College of the community and its role in enabling access to education and the provision of an inclusive learning environment, where respect and differentiation in learning is fundamental to our students' success.

Safeguarding

The College is committed to safeguarding the welfare of its students, staff and visitors.

Safeguarding checks, for example obtaining employment references and the completion of Disclosure & Barring Service (DBS) checks for all new/potential employees and regular visitors to the College, help ensure the safety of our College environment.

It is compulsory for all staff to complete safeguarding training both at the start of their employment and regularly throughout their employment to ensure they have the knowledge to fulfil their safeguarding responsibilities in respect to keeping children safe in education. This includes being able to work with students to develop their understanding of the values of democracy, the rule of law, individual liberty, mutual respect and tolerance of those with different faiths and beliefs, and for those without faith.

The College has policies and procedures in place to deal effectively with child protection and safeguarding issues, including those which align with the PREVENT counter-terrorism strategy.

Additionally, the College has robust Safeguarding recording and monitoring processes which correlate with current safeguarding legislation.

Professional Development and Employee Performance and Development Reviews

In addition to mandatory training in respect to Equality and Diversity, Safeguarding and Data Protection (and any other training that the College considers all members of the staff community to undertake), professional development opportunities are available to all members of staff to help them to reach their full potential within their role.

The ability of all members of our staff community to reflect on their performance and both areas of success/achievement and development is a fundamental aspect of the College's ability to continue to improve its quality and outcomes for students. In joining Northampton College, you will be expected, as a professional in your area of expertise, to continually seek ways to enhance your contribution to the organisation, with the annual Employee Performance and Performance review, with your line manager, being one element of this.

Health and Safety

Under the Health & Safety at Work etc Act 1974, in addition to the College's responsibility to the welfare of its staff community, it is the responsibility of individual staff to take care of their own health and safety at work and that of others who may be affected by their actions.

All members of the College community are required to comply with health and safety obligations, including the prompt reporting of any defects, risks or potential hazards.

Data Protection

The College's stakeholders should be confident that the College holds data in accordance with the Data Protection Principles of: Lawfulness, Fairness and Transparency; Purpose Limitation; Data Minimisation; Accuracy; Storage Limitation; Integrity and Confidentiality (Security), and Accountability.

As such, there are internal policies and controls in place to ensure that data is not lost, accidentally destroyed, misused or disclosed and is not accessed except by those authorised to do so in the performance of their duties. It is paramount that all usage and retention of data complies with the Data Protection Act 2018, General Data Protection Regulation (GDPR) and the Computer Misuse Act 1990 and that, as an employee you adhere with all protocols in this regard.
