To embed this throughout the College we encourage and welcome applications for job vacancies from people of all backgrounds. Our recruitment and selection processes incorporate anonymity of protected characteristics at both the shortlisting of applications stage and through selection process, wherever feasible.

This, along with other measures that promote full and fair consideration of all applications, along with the College's implicit ethos of inclusion, enables the College to promote equality of opportunity and eliminate unlawful discrimination on the grounds of: sex; race; disability; age; sexual orientation; gender reassignment; religion or belief; marital status, or pregnancy and maternity.

All members of the College's staff community are required to adhere to, and promote, the College's values of respect for each other, dignity, diversity and equal opportunity, enabling the continual evolution of a culture of inclusion, where diversity and difference is embraced and open, positive discussion is genuinely valued.

As importantly, the College will not tolerate unlawful discrimination, harassment or victimisation within the organisation.

Northampton College prides itself on being the College of the community and its role in enabling access to education and the provision of an inclusive learning environment, where respect and differentiation in learning is fundamental to our students' success.

It is compulsory for all staff to complete safeguarding training both at the start of their employment and regularly throughout their employment to ensure they have the knowledge to fulfil their safeguarding responsibilities in respect to keeping children safe in education. This includes being able to work with students to develop their understanding of the values of democracy, the rule of law, individual liberty, mutual respect and tolerance of those with different faiths and beliefs, and for those without faith.
