6. To collaborate with cross-College departments in respect to marketing, student recruitment and enrolment to ensure a high-quality student journey experience at all stages, from application to achievement.
7. To utilise appropriate pedagogical approaches matched to student needs to optimise student progress and learning.
8. To develop and utilise resources for learning which stimulate and engage students proactively, including, for example, Education Technology (EdTech) and digital platforms.
9. To produce plans, including lesson planning; assessment scheduling; schemes of work; suitable delivery strategies; class management, and student support which ensure effective learning opportunities and the engagement of all students.
10. To effectively manage the classroom learning environment for the benefit of all students, including directing the work of the Teaching Assistants in ensuring those students requiring additional in class

support are provided with this in accordance with the teaching, learning and assessment aims of the lesson.

11. To provide timely; iterative; developmental, and impactful feedback to students - verbal; written; individual; group; formative, and summative, including via marking assessments and examinations.
12. To promote high student attendance and exemplary punctuality, monitoring on an on-going basis, applying appropriate interventions where necessary.
13. To utilise College student record systems, including updating Individual Learning Plans (ILPs) and student progress tracking, directing appropriate and supportive interventions where students are not meeting targets.
14. To apply College rules and expectations, implementing, and escalating where appropriate, interventions in accordance with the College's policies.
15. To prepare students for internal and external assessments and examinations.
16. To ensure external assessment administration and student participation complies with Joint Council for Qualifications (JCQ) and other awarding body requirements.
17. To undertake assessment and internal verification which meets awarding body internal and external quality requirements (Internal Quality Assurance (IQA) and External Quality Assurance (EQA)).
18. To collaborate with, and engage, internal and external stakeholders to enrich the student experience, including, where appropriate, supporting delivery in other curriculum areas.
19. To carry out and coordinate associated administrative duties including references; UCAS statements, and responses to stakeholders.
20. To carry out examination invigilation duties as required.
